A PLACE OF PEACE
A HERITAGE TO CHERISH

From The Dean

As we come to the beginning of another autumn, there is much for which we can give thanks and much to look forward to in the life of our parish grouping.

The conclusion of the tourist season provides a particular opportunity to express our sincere thanks to all those who have given so generously of their time and energy throughout the summer months. The welcome that visitors receive in our churches does not happen by accident. It is made possible by the many volunteers who open our doors, welcome visitors, provide information, keep our churches clean and cared for, assist with music and worship, and undertake the many tasks that often go unnoticed. We are deeply grateful to everyone who has played their part. Your generosity and commitment are a very important part of our witness and ministry, and through you many people from near and far have encountered something of the faith, history and hospitality of this city.

We also have reason to offer our congratulations to the Venerable Robert Boyd on his appointment as the Archdeacon of Derry. It was a particular pleasure to welcome Archdeacon Robert to our parish grouping as the guest preacher on the last Sunday in September. We are delighted that he has been called to this new ministry and assure him of our prayers and good wishes as he begins his work as Archdeacon. We look forward to working with him and to the contribution that he will make to the wider life of the Diocese.

October is always a month filled with thanksgiving and celebration. Our Harvest Thanksgiving services remind us not only of the beauty and abundance of creation but also of our responsibility to care for God's world and to share its resources generously with others. At a time when so much of our attention can be drawn towards what we lack, harvest gives us an opportunity to pause and recognise the many blessings we have actually received.

Donations will be received in the Cathedral on Friday 2nd October, then the first Sunday of October (4th) will be Festival Choral Eucharist. During the service we will have the privilege of dedicating the newly refurbished frontal for the Communion Table. In St Augustine's, harvest thanksgiving will be celebrated through readings, meditations and hymnody for the season. As usual, both churches will be decorated, and gifts will be received gladly.

We are very much looking forward to the City of Derry Choir Festival at the end of the month. Music has always held an important place in the worship and witness of our churches, and it is a pleasure to welcome visiting choirs to the city. On Sunday 25th October, visiting choirs will take part in the services in both churches, adding their voices to our worship and helping us to celebrate the rich choral tradition which is such an important part of our Christian heritage. We hope that many members of our congregations will take the opportunity to come along and support the festival.

As October draws to a close, our thoughts will turn towards two particularly important events on Sunday 1st November. In St Columb's Cathedral there will be a special Choral Evensong marking the 500th anniversary year of the Tyndale Bible. William Tyndale's work in translating the Scriptures into English had an enormous influence on the English-speaking Church, and this anniversary gives us an opportunity to reflect with gratitude on the gift of Scripture and on the importance of being able to hear and read God's Word in a language we can understand – 'read, mark and inwardly digest' as our collect would state. We look forward to welcoming the Venerable David Huss, Archdeacon of Raphoe, as our preacher.

The same evening will also see 'Walk in the Light', an inner-city Christian walk which will stop at a number of our churches. Taking place in the aftermath of Hallowe'en, the walk seeks to re-establish a visible Christian presence in the heart of our city and to remind us that the light of Christ continues to shine in every generation. It is an opportunity for Christians from across the city to come together in prayer, fellowship and witness, and I hope that many from our own parish grouping will be able to take part.

There is therefore much to anticipate in the weeks ahead. Alongside our regular pattern of worship and fellowship, these occasions remind us that the Church is not simply a community which looks back with gratitude, but one which looks forward with hope. Whether through the welcome we offer to visitors, the beauty of our music, the celebration of harvest, the dedication of a treasured piece of our church furnishings, or our witness on the streets of the city, we are called to share the light and love of Christ with those around us.

May God bless our parish grouping throughout this autumn, and may we continue to give thanks for all that has been, while trusting God for all that lies ahead.

Dean of Derry
Rector of Templemore and St Augustine's

God Views His Blessings as a Ray

(Greg Laurie)

"The generous will prosper; those who refresh others will themselves be refreshed."

Proverbs 11:25

Blessed to Be a Blessing

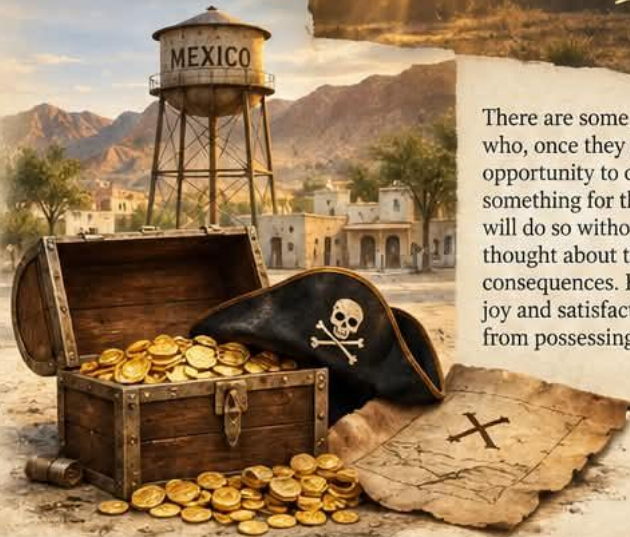

A PIRATE AND A TREASURE

There is a story of an infamous pirate named Juan Carlos who was rumoured to have buried an enormous treasure in a location only he knew.

One day a man approached Juan Carlos in Mexico, pushed him to the ground, and said, "Tell me where all your money is buried, or I will kill you right here on the spot!"

Juan Carlos didn't speak a word of English and needed an interpreter, so he saw a boy nearby and called him over. The boy relayed the man's message to Juan Carlos and, fearing for his life, Juan Carlos said to the boy, "Tell this man I don't want to die. Tell him the money is located thirty paces north of the city water tower, under a large rock."

The boy turned to the man and replied, "Juan Carlos says he is an honourable man and that he will never tell you where the money is. Juan Carlos says kill him now."

There are some people who, once they see an opportunity to claim something for themselves, will do so without a second thought about the consequences. For them, joy and satisfaction come from possessing.

A LINE SEGMENT OUR VIEW

In geometric terms, they see God's blessings as a line segment with fixed ends. The blessings begin at Point A, with God, and end at Point B, with them.

Blessings stop with me.

A RAY GOD'S VIEW

God, on the other hand, views His blessings as a ray. They begin at Point A, with Him, but then continue indefinitely, through Point B and beyond.

Blessings flow through me to others.

"And God will generously provide all you need. Then you will always have everything you need and plenty left over to share with others."

2 CORINTHIANS 9:8 (NLT)

"Give, and you will receive. Your gift will return to you in full – pressed down, shaken together to make room for more, running over, and poured into your lap. The amount you give will determine the amount you get back."

LUKE 6:38 (NLT)

The amazing truth at the heart of these passages is that God blesses us so that we can bless others. Ultimate joy, satisfaction, and fulfilment come not from possessing or hoarding God's blessings but from passing them on to others.

One of the best-known hymns ever written begins with the line, "Praise God from whom all blessings flow." Flow is the key.

His blessings flow to us and then through us to others.

God wants us to be part of how He blesses others. When we think only in terms of benefit for ourselves, we block the flow. We become obstacles to the ways He might bless others.

The way for God's people to truly prosper is to be generous. Refreshing others with what God has given us is one of our highest callings.

His blessings flow to us and then through us to others.

REFLECTION QUESTION:

How can I get better at blessing others?

LIVE GENEROUSLY.
REFRESH OTHERS.
BE A BLESSING.

BLESSED PEOPLE
BLESS PEOPLE.

2026 Biodiversity Tips for October

'God saw all that he had made, and it was very good'.
Genesis 1:31

Caring
for Creation
Together

Small
actions
make a big
difference

The Cathedral Bee Garden has truly moved into seed mode. The plants will be given a chance to drop seed and will continue to feed local wildlife before a tidy up begins.

Pumpkin Tips:

Keep Cool and Dry:

Store uncut pumpkins in a cool, dry area like a shed, garage, or covered porch, away from direct sunlight.

Hold Off on Washing:

Do not wash your pumpkins until you are ready to carve or display them, as moisture accelerates mould and decay.

Plant Native Trees & Shrubs:

October is ideal for planting native species like hawthorn, holly, and rowan to provide food and shelter for birds.

Hawthorn

Holly

Rowan

Divide Perennials:

Split large, overcrowded perennial plants to increase plant diversity and improve plant health.

Provide Water:

Put out a small dish of water, ensuring to add pebbles for insects to perch on.

Hedges:

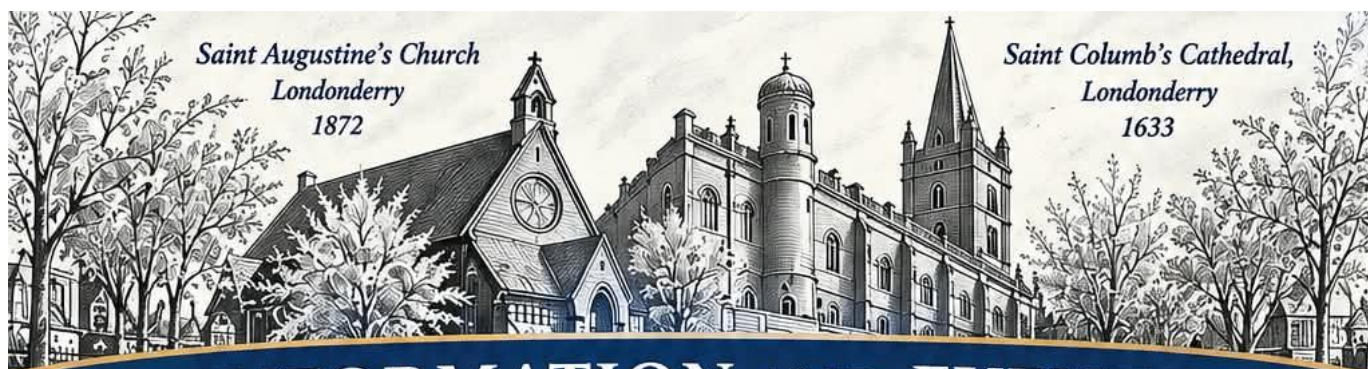

Leave berries on hedges for birds like redwings that visit during autumn and winter.

16.30 EVENING PRAYER

During the first couple of weeks of September, Louis and I conducted choral workshops at local primary schools, inviting students who impressed us with their singing to participate in a 'Be a Cathedral Chorister for the Day' Event at the Cathedral on Saturday 19th September. This event allowed the children to learn more about the choir, including the commitments involved and the rewards of being a chorister.

Seven boys and three girls attended the event. The day began with an information meeting where parents received details about the commitments required and had the opportunity to ask questions about the choir. After the meeting, the young singers enjoyed a singing workshop, while their parents were given a tour of the Cathedral.

At the end of the workshop, the ten young singers auditioned for places in the Cathedral Choirs. Due to high demand and limited spaces available, we can currently offer positions to only four boys and two girls. Well done to those who successfully auditioned and you can expect to see some new faces in the choir stalls over the coming weeks! For those who have been placed on our waiting list, Louis and I are actively exploring ways to accommodate as many young singers as we can, in a bid to ensure no young singer is left out.

We are excited to announce that the Cathedral Music Department looks forward to appointing two new Scholars. The Philip Mehaffey Organ Scholarship is now back in action, thanks to the generous support of the Mehaffey family. The recipient will receive free organ lessons, opportunities to work with and accompany the Cathedral Choir during services and events, free exam entries, and an experience that will last a lifetime. Louis and I enjoyed catching up with Wendy, who shared that family members will be attending Harvest Sunday for the announcement of the new Organ Scholar.

In addition, we are delighted to introduce a new Music Scholarship established in memory of Mark Fields, generously supported by the Fields Family. This initiative will operate initially for the next three years - affording three lucky Scholars to gain valuable practical experience and training across various aspects of cathedral music, including singing, organ playing, and conducting. The successful candidate will also receive a financial award paid directly to them.

Our Cathedral Choir will take its Halloween break a week earlier than usual. We will be off on Sunday 25th October and return to duty on Sunday 1st November. This adjustment is due to a special service marking the 500th Anniversary of the Tyndale Translation of the Scriptures scheduled for the afternoon of 1st November. Additionally, we will be hosting a visiting choir from the International Derry Choir Festival on 25th October.

Having our Cathedral Choirs back after the summer break has been fantastic and has added an extra dimension to our Sunday services. As we approach the Christmas season, preparations are already underway for what promises to be our busiest period yet. It's wonderful to see the Boy and Girl Choristers flourishing, with increased interest and demand from outside of the Cathedral to sing at concerts and events.

We look forward to sharing these joyful moments with you and continuing to celebrate the rich musical life of Saint Columb's Cathedral.

Nicky

Readings are taken from Daily Bread brought to us by Scripture Union

Letter received (9th September) from Joy Fleming who is the National Director for Northern Ireland.

Dear Canon Mervyn & friends at St Columb's Cathedral,
Thank you for your generosity. Through your wonderful gift

of £110.00 you are restoring the lives of people affected by leprosy in Nigeria. Because of you, Abubakar can begin to rebuild the life he thought he'd lost. For years he felt so alone, hiding away in a community riddled with fear, just because he had leprosy. But Jesus never passes people by. And neither do you. Now, Abubakar knows the kindness of the God who loves him. The gentle touch of a nurse. The treatment that makes people whole again. The smiles and everyday moments many of us take for granted. With a growing sense of confidence and joy, Abubakar dreams of returning to work. Finding dignity and belonging in his family and community once more. His eyes sparkle with hope and thankfulness for the thoughtfulness of supporters like you: "Now I still have a future. You have wiped away my tears." And your compassion will help to find and protect other lives touched by leprosy in Nigeria. Breaking down fear. Showing love. Helping people to belong. Thank you for carrying on this Christ-like work.

With a heart full of thankfulness, **Joy Fleming**, National Director

Joy is our National Director. She joined the NI team in April 2025 having previously worked with The Leprosy Mission GB as Deputy Head of Programmes. Joy has a background in biomedical R&D. (The total sent from the Cathedral this year to date is £780.60 received from seventeen parishioners. If you would like to contribute to this worthy cause and have not already done so, leprosy boxes are available in the vestibule.)

THE LEPROSY MISSION PRAYER

Almighty Father, the giver of life and health, look mercifully on those who suffer from leprosy. Stretch out your hand to touch and heal them as Jesus did during His earthly life. Grant wisdom and insight to those who are seeking the prevention and cure of the disease. Give skill and sympathy to those who minister to the patients.

Reunite the separated with their family and friends. And inspire your people with the task set before The Leprosy Mission that it may never lack the staff or the means to carry on its healing work in accordance with your will and to the glory of your holy name.

We ask this for the sake of Jesus Christ, your Son, our Lord. Amen.

Safeguarding

The Safeguarding Panel continues to meet regularly, and our policies and procedures are compliant with the Safeguarding Trust of the Church of Ireland. Remember if there are any safeguarding concerns, they should be shared with –

For St Augustine's - Mrs Dierdre Amor, Mrs Irene White, Mr Marshall Kilgore, The Dean

For St Columb's – Mrs Elizabeth Fielding, Mr Malcolm Hewitt, The Dean

Additionally, there is a comprehensive suite of Safeguarding and Health & Safety Policies which is available in hard copy, upon request.

Mothers' Union appoints new Chief Executive

MU is delighted to announce the appointment of **Alison Marshall** as Mothers' Union's new Chief Executive. Alison brings more than 30 years of experience in international development, advocacy, campaigning and charity leadership to Mothers' Union. Alison will begin her role in December 2026.

Derry Girls – the growth of the shirt factories

We were delighted to be joined by Dean Nigel and several friends from SALT in St. Augustine's. Margaret Lee and her daughter, Catherine Hamilton, provided a remarkable insight into the transformation of women from the kitchen sink to becoming skilled seamstresses, managers and organisers as the shirt factories thrived throughout the 1900s. In 1922 there were 45 factories in the city employing nine thousand people! A section of the talk was illustrated using some original shirt factory quilts. We also enjoyed the opportunity to try our hand at sewing on a button – possibly not quite up to quality control measures – room for improvement!

MU Worldwide 150th Anniversary – Lighting The Way for Generations To Come

It is an exciting month as 100s of MU members from around the world gather in Durban, South Africa for a special few days of worship, connection, celebration and faith in action. Please pray for Diane White, Jean Thompson and Kathleen Finlay from our diocese - for safety as they travel, fulfilment as they take part and we look forward to their sharing their tales and adventures on their return.

Join MU and Prisons Week in Action & Prayer

This year's theme, "**All Are Invited**, *there is a place for you,*" is inspired by the parable of the wedding banquet in Matthew, which reminds us that *'the servants went out into the streets and gathered all the people they could find, the bad as well as the good, and the wedding hall was filled with guests'*.

Mothers' Union is one of the sponsors of *Prisons Week* (11-17 October), an annual event that has been running for over 40 years. *Prisons Week* raises awareness and prompts prayer for everyone affected by prisons – including prisoners and their families, victims of crime, staff within the criminal justice system and the many individuals caring for those affected by crime both inside and outside our prisons. For more information, visit www.prisonsworld.org

Locally, through generous funding from the 'Mums In May' Fund, MU has, in recent years, provided 120 books for the children's library in the Visitors' Centre, and supported a creative writing project at Magilligan Prison.

The Prisons Week Prayer

Lord, you offer freedom to all people. We pray for everyone in prison. Break the bonds of fear and isolation that exist. Support with your love prisoners and their families and friends, prison staff and all who care. Heal anyone who has been wounded by the actions of others, especially the victims of crime. Help us to forgive one another, to act justly, love mercy and walk humbly together with Christ in his strength and his Spirit, now and every day. Amen.

Dates for your Diary:

Tues 13 October **Worldwide Evening and Bring & Buy Sale** for MU WW projects

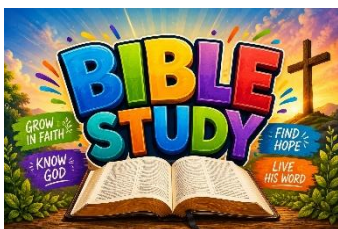

Autumn Diocesan Projects – Emergency hospital wash bag items, neo natal knits and vouchers for Foyle Women's Aid will be collected in October and November.

If you are interested in any of our activities, you are very welcome to come along.

A parting thought for October....

A modern interpretation of the word beautiful – ***BE-YOU- TO-THE-FULL!***

Lord, 'I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well.' Psalm 139:14

A huge thank you to Bob and Deirdre Amor who have been faithfully leading us through the book of James. There are two more weeks left in this block. It has been a great pleasure learning more about God's word and enjoying the fellowship with some of our neighbouring churches. In October, the Bible Sessions will be on the 4th and 11th.

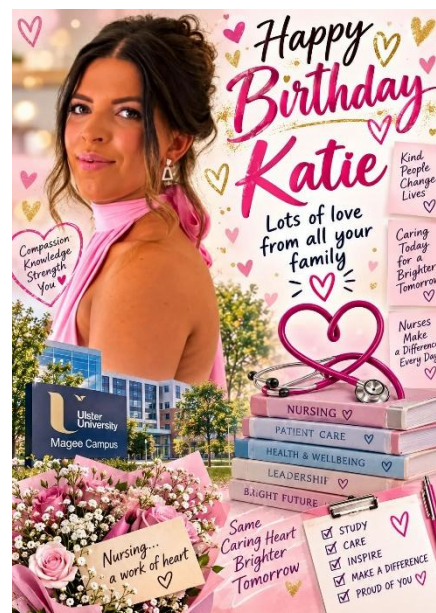

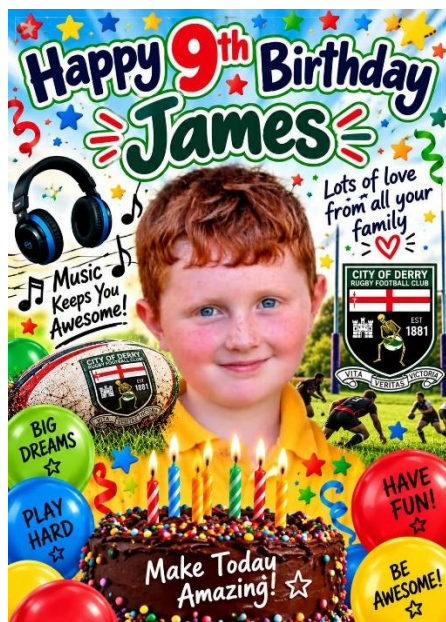

Prayer Meetings (Zoom)

These meetings continue each Monday evening at 6.30pm. If you would like to receive an invitation, please give your name to either Noel Glen or to the Dean.

HOSPITAL / NURSING HOME ADMISSIONS

If you or a relative is admitted to, or discharged from, hospitals or nursing homes please let The Very Reverend Nigel Cairns or The Reverend Canon John Merrick know if you would like a Pastoral Visit. Thank you for your co-operation.

Mark Fields Music Scholarship

It was a great honour and privilege to have the Mark Field's scholarship inaugurated and the associate scholarship medal dedicated on Sunday 13th September 2026. Thanks are accorded to the Fields family for generously sponsoring the scholarship which will provide mutual benefit for the worthy recipient, the Cathedral and the School of Music.

Walk in the Light

As per the Dean's foreword the Walk in the Light procession will take place on 1st November. It begins at 5.45pm at St Columba's Long Tower, and the route is – Long Tower; First Derry; St Columba's Cathedral; Salvation Army (where there will be light refreshments served)

Congratulations

Congratulations to Archdeacon Robert Miller, Archdeacon of Derry, on his appointment as Chaplain to His Majesty's Chapel Royal at Hampton Court Palace and King's Honorary Chaplain. The occasion provided a wonderful opportunity to thank him for his dedication and service to Saint Columba's Cathedral Choir, both at Evensongs and special services over the years. The Archdeacon joined us once again for Evensong, performed by our Boy Choristers, Girl Choristers, and Lay Clerks.

We were delighted to have the opportunity to take part in the Charles Wood Festival this year as part of the girls' choir, especially since it was the 100th anniversary of Charles Wood. It was a great experience staying at the Royal School of Armagh for the week and getting to work and sing with people from all over Northern Ireland, Ireland, and even Japan, making many new friends throughout. The rehearsals were intense and long but always worth it. Having Christopher Gray as our director, along with Luke Bond and

Tingshou - who recently won the NI International Organ Competition - playing for us, made it all worthwhile when we could showcase our hard work in the concerts. We're very grateful that the congregation of St. Columba's Cathedral contributed to us being able to attend the festival by raising a large sum of the money towards it.

2026 October is Domestic Abuse Awareness Month

October is Domestic Abuse Awareness Month.

It's easy to think of domestic abuse as something that happens to "other people," but the reality is that 1 in 4 women and 1 in 6–7 men will experience domestic abuse. It affects people across our churches, workplaces, families, and friendship groups.

Knowing how to support a victim or survivor can be daunting, but equipping ourselves allows us to walk alongside them effectively.

Here are a few key ways you can help:

Share social media posts this October: Check [out posts](#) from Restored, Foyle Women's Aid, Women's Aid NI and the Men's Advisory Project (MAPNI) pages.

Become Informed: Learn about domestic abuse and how abusers operate.

The Restored Church Guide provides a comprehensive overview to help build understanding.

Listen and Believe: If someone discloses abuse to you, believe them. Reassure them that it is not their fault, not God's will, and that they do not deserve it. It is not your job to verify claims.

Safe Church: St. Columb's Cathedral has *Safe Church* status. There are cards at the back of the cathedral which signpost men and women to NI helpline services.
